

Scenario:

You love listening to audiobooks, and you want to bookmark specific sections of an audiobook so that you can share some of your favorite passages with your family members.

Task 1: Locate and purchase the book "Treasure Island" by C.S. Lewis.

Task 2: Open the book and highlight a passage.

Task 3: Find your highlighted passage in the "bookmarks" tab and provide a short note or explanation for your bookmark.

Notes:

Three things to change:

- See recommended books from friends.
- Implement an "Add Friends" button.
- Change "continue reading" button to say "more" or "expand".
- Put books in library in order from most recently accessed to last accessed.

Three things to keep:

- Keep the ability to add a note/explanation next to bookmarked sections.
- Keep the ability to change highlighter colors.
- Keep "See similar books" button.
